

RAVEN 101 Gets a New Name

Beginning in April, we are changing the name of the RAVEN overview course from RAVEN 101 to **RAVEN for Financials Users**. The course will still provide an overview for users of eUMB Financials who need to retrieve data using RAVEN.

Starting this Spring, COEUS users will be able to use five new RAVEN pages to retrieve grant proposal data. The pages in COEUS RAVEN will differ from those in Financials RAVEN. A new course, **RAVEN for COEUS Users**, will introduce COEUS users to RAVEN, including an overview of the new COEUS-related pages and new functionality.
