

NEW DEADLINE:

This updated message from David Chevront is for eUMB Financials users who have grants with cost sharing.

The cost sharing allocation for June, 2009 will be processed on Tuesday, July 14, 2009. This entry may be viewed in RAVEN the morning of July 15, 2009. Some departments may find it necessary to reallocate these charges to other project IDs. Because the deadline for the campus to process its own journal entries was June 24, 2009, Quality Assurance will process your reallocation.

To adhere to the campus' year end schedule, please forward your request to David C. Chevront at dchevront@af.umaryland.edu by **NOON on July 15, 2009**. Please refer to the sample copy posted on the Department of Financial Services web page: <http://www.fincsvc.umaryland.edu/announcements.cfm> for the format of your entry.

Failure to meet this deadline will result in charges not being transferred in FY 09.

If you have any questions, please feel free to contact me at 6-6554.

Thank You,

David C. Chevront
