E-mail Address rcross@medicine.umaryland.edu

Alternate Supervisor's Name Mark Flasar, MD, MS

Alternate Supervisor's Title Assistant Professor of Medicine

E-mail Address mflasar@medicine.umaryland.edu

Job Title Research Intern

Duties Develop a clinical research project in concert with UMB IED Program faculty. Types of projects include cross sectional studies, retrospective cohort studies and health surveys.

As part of their clinical research project, students will be responsible for hypothesis generation, literature searches, data extraction, simple data analysis, interpretation of the results and publication of the results.

Number of students requested to perform duties described above 1
(Complete a separate request form for a job with different duties)

Completion of this request form does not guarantee the department/agency that Federal Work Study students will actually be referred. The person who signs this form must also sign the Job Certification Form and the biweekly payroll time sheets. If a student exceeds their maximum WS award, the supervisor's department is responsible for paying 100 percent of the over award.
