

HURRICANE KATRINA: A LEGAL SYMPOSIUM EXAMINING THE IMPACT OF AMERICA'S LARGEST NATIONAL DISASTER FROM WAVELAND, MISSISSIPPI TO WASHINGTON, D.C.

"I remember after Hurricane Camille being down on the Gulf Coast . . . [and] I can say that this storm is so much greater in terms of the widespread devastation and destruction, that I was really shocked and I don't know anything that is more disturbing than going along the Gulf Coast area and being aware of all the damage It's one of the most depressing things I've ever seen."

--- United States Senator Thad Cochran, Wednesday, August 31, 2005
(recounting his tour of the Mississippi Gulf Coast during a MEMA press conference)
