Name: _____

Service to Institution and System

11. On how many departmental, institutional and System committees did you serve?
12. How many undergraduate students do you currently serve as advisor? Note: Not applicable to most UMB faculty.

Public Service – Paid and Unpaid professional services (a “day” for questions 13-16 is defined as 8 hours)

13. How many days did you spend in public service with K-12 schools and community colleges?
14. How many days did you spend in public service with government agencies?
15. How many days did you spend in public service with non-profit organizations?
16. How many days did you spend in public service with businesses?

Tenure Status

- Yes No 17. Are you either tenured or on the tenure track? (mark yes or no)

Inter-institutional Cooperation and Distance Education (The USM Regents have adopted productivity goals in the areas of inter-institutional cooperation and distance education. The following questions will provide baseline data to measure progress towards the Regents’ goals)

- Yes No 18. Are you collaborating with someone affiliated with another USM institution in team teaching, or preparing course material or curriculum that will directly affect what is taught?
- Yes No 19. Are you collaborating with a person affiliated with a USM institution other than your own in scholarly effort that could lead to presentation, publication or performance?

- None 1
 2 3 or More 20. How many courses did you teach in which students not present at your site received all instruction through interactive video or computer technology? (mark None, 1, 2, or 3 or More)

The University System of Maryland responsibility to be accountable to the Maryland General Assembly necessitates collecting information on the System’s faculty productivity. The items in this survey are part of a larger set of performance indicators approved by the Board of Regents. This survey also supplements other indicators of faculty productivity which focus on the faculty teaching workload and which are collected separately. The data gathered from this survey will be released and reported only at the aggregate level.

Completed survey forms must be signed by your Department Chair or Dean who will then forward the form to the appropriate administrator so that your participation is recorded.

For more information, contact the Office of Institutional Research and Planning, 620 West Lexington St. 5th Floor, Baltimore MD 21201. (410) 706-1264 (410) 706-0234 fax
