                 2013      Chair
- 2010–      Greater Baltimore Committee, Board of Directors
- 2010–      Hippodrome Founding Board of Trustees
- 2010–      Westside Strategic Committee, Co-Chair with Baltimore Mayor Stephanie Rawlings-Blake

## **Editorial Appointments**

- 1985–1990     *Gastroenterology*, Editorial Board
- 1987             Associate Editor, Section on the Gastrointestinal Tract. In *Pediatrics*.  
18th Edition. AM Rudolph (ed.) Norwalk, CT. Appleton & Lange, 899–958, 1987.
- 1989–1996     *Progress in Inflammatory Bowel Disease*, Associate Editor
- 2000–2010     Editorial Board of the *Pediatric Journal of Sao Paulo*
- 2006             Ad Hoc Reviewer, Wellcome Trust Clinical Research Infrastructure Initiative

## **Ad Hoc Referee**

1. *American Journal of Clinical Nutrition*
2. *American Journal of Diseases of Childhood*
3. *American Journal of Gastroenterology*
4. *American Journal of Physiology*
5. *American Journal of Perinatology*
6. *Clinical Pediatrics*
7. *Cystic Fibrosis Foundation*
8. *Digestive Diseases and Sciences*
9. *Gastroenterology*
10. *Gut*
11. *Journal of Clinical Investigation*
12. *Journal of Pediatric Gastroenterology & Nutrition*
13. *Journal of Pediatrics*
14. *Journal of American College of Nutrition*
15. *Medicine*
16. *New England Journal of Medicine*
17. *Pediatric Research*
18. *Wellcome Trust*

## **Selected Invited Lectures and Symposia**

- July 2–3, 1987      **International Congress on Food Intolerance and the Small Intestine**  
Rome, Italy  
“Food Intolerance Associated with Small Bowel Injury in Infancy and Childhood”
- July 5, 1987      **University of Naples**  
Naples, Italy  
“Carbohydrate Digestion in Cystic Fibrosis”
- Feb. 10–12, 1988      **Department of Pediatrics, Fitzsimons Army Medical Center**  
Denver, CO  
Visiting Professor in Pediatric Gastroenterology  
Topics: Carbohydrate Absorption; Recurrent Abdominal Pain; Approach to Jaundice in Infancy
- April 8–9, 1988      **Bowman Gray School of Medicine**  
Winston–Salem, NC  
Guest Speaker, Annual Pediatric Postgraduate  
Topics: Gastroesophageal Reflux; Recurrent Abdominal Pain
- June 29, 1988      **North Shore University Hospital**  
Manhasset, NY  
Fifth Annual Mervin Silverberg Honorary Visiting Professorship  
Topic: Disorders of Carbohydrate Absorption in Infancy and Childhood
- Feb. 16–17, 1989      **University of Virginia Medical Center**  
Charlottesville, VA  
Visiting Professor  
Topic: Diagnosis and Management of Inflammatory Bowel Disease
- Feb. 22–25, 1989      **Eighth Ross Seminar on Pediatric Gastroenterology**  
Scottsdale, AZ  
Faculty Member  
Topic: Breath Analysis for the Investigation of Gastrointestinal Function
- May 31–June 6, 1989      **University of Pittsburgh**  
Pittsburgh, PA  
Mead Johnson Visiting Professor  
Topics: Disorders of Carbohydrate Metabolism in Childhood; Pitfalls in Breath Hydrogen Analysis

- June 12, 1989      **National Digestive Disease Information**  
Clearinghouse Advisors Group  
Bethesda, MD  
Topic: Lactose malabsorption
- June 19–21, 1989      **University of Saskatchewan**  
Saskatoon, Saskatchewan  
Symposium Faculty, Starch in Human Nutrition  
“Clinical Application of Breath Hydrogen Measurements”
- June 22, 1989      **University of Toronto**  
Toronto, Canada, Visiting Professor  
Topic: Disorders of Carbohydrate Digestion in Infancy and Childhood
- Oct. 29, 1989      **Cystic Fibrosis Foundation Forum Participant**  
Chicago, IL  
Topic: Diagnosis and Treatment of CF Liver Disease
- Nov. 3–4, 1989      **University of Iowa**  
Iowa City, IA, Visiting Professor  
Pediatric Postgraduate  
Course Topics: Approach to Diagnosis and Treatment of Chronic Diarrhea;  
Approach to Infants with Obstructive Jaundice; Gastroesophageal Reflux in  
Infancy
- Feb. 26, 1990      **Cystic Fibrosis Foundation**  
Tysons Corner, VA  
Forum Participant: Use of Ursodeoxycholic Acid
- March 7, 1990      **Northwestern University Medical School**  
Chicago, IL  
Visiting Professor  
Topic: Breath Analysis for the Investigation of Gastrointestinal Function  
Research Conference: Carbohydrate Absorption in Cystic Fibrosis
- March 8–9, 1990      **Vail Pediatric Postgraduate Conference**  
Vail, CO  
Topics: Recurrent Abdominal Pain; Disorders of Carbohydrate Digestion in  
Clinical Practice; Gastroesophageal Reflux; Jaundice in Infancy

- Oct. 28, 1990      **American College of Gastroenterology**  
San Francisco, CA  
Invited Speaker—Postgraduate Course  
Topic: Breath Analysis for the Investigation of Gastrointestinal Disorders
- March 4–8, 1991      **Vail Pediatric Postgraduate Conference**  
Vail, CO  
Topics: Systematic Approach to Infant Formulas; Chronic Diarrhea in the Infant and Toddler; Munchausen Syndrome by Proxy; Chronic Constipation
- April 9–10, 1991      **University of Texas Southwestern Medical School**  
Dallas, TX  
Visiting Professor, Grand Rounds
- June 3–4, 1991      **Cystic Fibrosis Foundation**  
Falls Church, VA  
Invited Participant  
Consensus Conference on Gastrointestinal Complications in Cystic Fibrosis
- Oct. 18–19, 1991      **Baylor University/University of Texas**  
Nutritional Management of Inflammatory Bowel Disease
- Nov. 11–12, 1991      **Arnold Palmer Children’s Hospital**  
Orlando, FL  
Topics in Pediatric Gastroenterology
- Feb. 29–Mar. 6, 1992      **Vail Pediatric Postgraduate Conference**  
Vail, CO  
Topics: Gastroesophageal Reflux; Recurrent Abdominal Pain; Helicobacter Pylori Infections; Yogurt and Cultured Milk Products
- May 1992      **American Gastroenterological Association**
- June 1992      **University of Washington**  
Seattle, WA  
Visiting Professor, Grand Rounds
- March 1–3, 1993      **Vail Pediatric Postgraduate Conference**  
Vail, CO  
Chairman

- April 1, 1993      **Pediatric Nursing Conference**  
Baltimore, MD  
Presented: Pediatric Home Care
- May 17–19, 1993      **American Gastroenterological Association**  
Boston, MA
- Oct. 2, 1993      **Crohn’s and Colitis Foundation of America, Inc.**  
The University of Massachusetts Medical School  
Boston, MA  
Topic: Nutrition in IBD
- Nov. 7–11, 1993      **31st Congress of the Latin American Society for Pediatric Investigation (SLAIP)**  
Itapema–Santa Catarina, Brazil  
Invited North American Speaker  
Topic: Breath Analysis Investigation of Gastrointestinal Function
- Feb. 27–Mar. 4, 1994      **Vail Pediatric Conference, Chairman**  
Vail, CO
- June 17–18, 1994      **American Academy of Pediatrics, Georgia Chapter**  
Sea Island, GA  
Invited Speaker: Disorders of carbohydrate digestion
- June 22, 1994      **Crohn’s & Colitis Foundation of America, Maryland Chapter**  
Teen & Parent Education Meeting  
“Treating IBD & Possible Complications in Adolescents”
- Sept. 29, 1994      **University of British Columbia**  
Vancouver, Canada  
“Disorders of Carbohydrate Absorption in Clinical Practice”
- Nov. 9, 1994      **Arnold Palmer Children’s Hospital**  
Orlando, FL  
Topics in Pediatric Gastroenterology
- April 11, 1995      **American Academy of Pediatrics**  
Philadelphia, PA  
“Current Status and Prospects for Pediatrics Home Care”

- June 14, 1995      **Loyola University School of Medicine**  
Chicago, IL  
Pediatric Grand Rounds  
Pediatric Home Care
- Sept. 1996      **International Symposium on Clinical Trials in Infant Nutrition**  
Washington, DC  
Conference Director
- Oct. 31, 1996      **University of Rochester Medical Center**  
Rochester, NY  
Visiting Professor  
Development of Home Care in an Academic Medical Center
- Nov. 7, 1996      **University of Virginia**  
Charlottesville, VA  
Department of Pediatrics Grand Rounds Speaker  
Topic: Disorders of Carbohydrate Absorption
- Dec. 6, 1996      **Stanford University Department of Pediatrics**  
Palo Alto, CA  
Grand Rounds  
Speaker: Pediatric Home Care
- Aug. 21, 1997      **Coastal Crohn's & Colitis Society**  
Savannah, GA  
Speaker: Pediatric Inflammatory Bowel Disease
- Sept. 24–26, 1997      **107th Ross Conference on Pediatric Research**  
Physiologic/Immunologic Responses to Dietary Nutrients  
Speaker: Gut Flora—Effect of Prebiotics/Probiotics
- Nov. 1, 1997      **American Academy of Pediatric Annual Meeting**  
New Orleans, LA  
Speaker: Gastroesophageal Reflux Disease
- May 20, 1998      **American Gastroenterological Association Annual Meeting**  
New Orleans, LA  
Speaker: Focused Clinical Update on Pediatric GI Disease

- Nov. 5–7, 1998      **American Academy of Pediatrics**  
Hamilton, Bermuda  
Practical Pediatrics CME Course  
Faculty
- Jan. 13–16, 2000      **American Academy of Pediatrics**  
Breckenridge, CO  
Practical Pediatrics CME Course  
Faculty
- June 6, 2000      **Second International Conference on Child and Adolescent Mental Health**  
Presented for Dr. Perman – Kuala Lumpur, Malaysia  
Workshop IV: Pediatric feeding disorders (“Why Children Don’t Eat and What to Do About It”)
- March 13, 2001      **University of Maryland Hospital for Children**  
Millersville, MD  
Outreach CME Program  
Speaker: “The ‘Hard Poop’ on Constipation”
- April 17, 2001      **8th Annual Governor’s Conference on Child Abuse and Neglect**  
Baltimore, MD  
Speaker: An Interdisciplinary Approach to Munchausen’s Syndrome by Proxy
- May 18–20, 2001      **American Academy of Pediatrics**  
Monterey, CA  
Practical Pediatrics CME Course  
Faculty
- June 13, 2001      **North Arundel Hospital**  
Glen Burnie, MD  
Pediatric Grand Rounds  
Speaker: “Belly Aches and Vomiting: Reflux or Allergy?”
- June 21, 2001      **Upper Chesapeake Medical Center CME Program**  
Bel Air, Maryland  
Speaker: “Belly Aches and Vomiting: Reflux or Allergy?”
- Nov. 9, 2001      **UMB Community Issues Forum 2001**  
Baltimore, MD  
Speaker: In Harm’s Way: Breaking the Cycle of Drugs and Violence Against Children and Families

- Nov. 30, 2001      **Mercy Medical Center**  
Baltimore, MD  
Speaker: "Pediatric Issues: 2001–2002"
- Jan. 25–31, 2002      **Miami Children's Hospital**  
Miami Beach, FL  
37th Annual Postgraduate Course "Perspectives in Pediatrics"  
Topics: Belly Aches & Vomiting: Reflux or Allergy; Disorders of Sugar Digestion;  
My Child Won't Eat: Disorders of Feeding in Early Childhood; Munchausen  
Syndrome by Proxy
- March 13, 2002      **University of Maryland Medicine**  
Pikesville, MD  
CME Outreach Program  
Speaker: "Approach to Diagnosis and Treatment of Gastroesophageal Reflux"
- April 24–27, 2002      **Pediatric Infectious Disease Seminar**  
Hilton Head Island, SC  
Topics: Gastroesophageal Reflux: Who Needs Evaluation?; The "Hard Poop" on  
Constipation; Milk-Related Gastrointestinal Disorders
- Nov. 20–22, 2002      **The Children's Mercy Hospital**  
Kansas City, Missouri  
Topics: GERD Through Infancy and Childhood; Failure to Thrive-GI Perspective;  
Why Johnny Can't Poop; "My Child Won't Eat"; Special Workshop: Essential  
Gastroenterology
- Sept. 4, 2002      **St. Joseph Medical Center**  
Towson, MD  
Speaker: "Chronic Constipation: 'Hard Poop' on Hard Poop"
- 2004–2008      **Numerous engagements for University of Kentucky**
- June 12, 2009      **AMA Section on Medical Schools 2009 Annual Meeting**  
Chicago, Illinois  
Speaker: Interprofessional Collaboration in Health Care—Implications for  
Medical Schools and GME
- Nov. 9, 2009      **Association of American Medical Colleges Annual Meeting**  
Boston, MA  
Invited Speaker  
Continuing Medical Education

- Jan. 18, 2010      **16th Annual Rev. Martin Luther King Jr. Unity Breakfast**  
Lexington, KY  
Invited Speaker  
Topic: Dr. King's Views on Civil Rights
- June 17, 2011      **The Harold D. Rosenbaum, MD, Lectureship**  
Lexington, KY  
Invited Speaker  
2011 Radiology Residency Program Graduation Ceremony  
Topic: Leadership as a Professional; Career Development/"Can We Talk?"
- 2011      **Mansdorfer Lectureship in Pediatrics**  
Mercy Medical Center  
Baltimore, MD
- 2014      **Dr. Robert Parker Memorial Lecture**  
MedStar Good Samaritan Hospital  
Baltimore, MD

## **Research Support**

- 1978–1982      March of Dimes Basil O'Connor Starter  
Research Grant #5-206.  
*Principal Investigator* (10% effort)
- 1978–1982      NIH – HO-12449      Carbohydrate Absorption in Neonates:  
Breath Analysis.  
*Principal Investigator* (75% effort)
- 1980–1982      USDA Agreement #58-9AH2-1-596      Effect of Dry Bean Diets on the Human  
Intestinal Tract.  
*Principal Investigator* (10% effort)
- 1982–1987      NIH T32 AM07179      Graduate Research Training Program in  
Pediatric Gastroenterology.  
*Trainer* (15% effort)
- 1983–1984      Glaxo Pharmaceuticals      Ranitidine therapy in patients with cystic  
fibrosis and pancreatic insufficiency.  
*Principal Investigator* (10% effort)

1984–1987	NIH AM35091	Sugar and Glycoprotein Digestion in Cystic Fibrosis. <i>Principal Investigator</i> (30% effort)
1988–1990	Cystic Fibrosis Foundation A022 96-2	Carbohydrate Absorption in Cystic Fibrosis. <i>Principal Investigator</i> (15% effort)
1989–1990	National Yogurt Association	Effect of Yogurt on Lactose Intolerant Children. <i>Principal Investigator</i> (10% effort)
1988–1991	NIH RO1 DK40540	Pathogenesis of Intestinal Dysfunction in AIDS. <i>Co-Principal Investigator</i> (10% effort)
1990–1991	National Dairy Research Foundation	Effect of Milk Containing <i>Lactobacillus Acidophilus</i> in Lactose Intolerant Individuals. <i>Principal Investigator</i> (10% effort)
1991–1992	Carnation/Nestle USA, Incorporated	Efficacy of a milk based formula containing <i>B.Bifidus</i> and <i>S.Therophilus</i> for the prevention of diarrheal disease in young children. <i>Principal Investigator</i> (10% effort)
1992–1995	NIH RO1 DK40540	Pathogenesis of Intestinal Dysfunction in AIDS. <i>Co-Principal Investigator</i> (10% effort)
1993–1996	NIH # MCJ-240632-01	Lactase activity in pregnant women. <i>Co-Principal Investigator</i> (10% effort)
1996–		NIH Institutional Child Health Research Center Grant, Virginia Commonwealth University. <i>Principal Investigator</i>
1997–1998		Welch’s Grape Juice Effect of Fruit Juice on Gastrointestinal Symptoms in Day Care Populations. <i>Principal Investigator</i>
1999–2000		Ryan White Title II & IV Services for Women Children & Their Families. <i>Principal Investigator</i>

2004–2008	NIH 5M01RR002602	General Clinical Research Center, University of Kentucky. <i>Principal Investigator</i>
2008–2010	NIH 1R03HD058850-01	Academic-Community Coalition for a School-Based Obesity Prevention/Treatment Program. <i>Principal Investigator</i>
2008–2010	KDR-PP09-19	Kentucky Diabetes Research Trust Fund Academic-Community Coalition for a School-Based Obesity Prevention/Treatment Program: Summer Program Evaluation. <i>Principal Investigator</i>
2011–2012	1R13MD006771-01	NIH National Institute on Minority Health & Health Disparities, Support for Conferences and Scientific Meetings: “University of Maryland Childhood Obesity Summit.” <i>Principal Investigator</i>

### Pending Support

2014–2016	CA134274	University of Maryland Greenebaum Cancer Center, Support Grant–Supplement, UMB CURE Scholars Program: Promoting Diversity in Future Cancer Center Research Workforce. <i>Lead</i>
-----------	----------	--

## **Major Academic Service**

### ***Faculty Committees***

#### **Johns Hopkins University and Hospital**

1984–1992	<i>Chairman</i> , Department of Pediatrics, Pediatric Nutrition Support Service Advisory Committee
1984–1996	Clinical Practice Plan Committee of the Department of Pediatrics
1984–1996	Credentials Committee of the Department of Pediatrics
1984–1996	Advisory Board in Pediatric Surgery

1987–1996	<i>Chairman</i> , Nutrition Advisory Committee of Johns Hopkins Hospital
1987–1996	Medical Care Evaluation Committee
1989–1992	Staff Conference Committee
1989–1990	Ad Hoc Committee on the Attending, Department of Pediatrics
1991	<i>Chairman</i> , Department of Pediatrics Task Force for Development of Home Care Program
1993–1994	<i>Chairman</i> , Search Committee for Chief of Pediatric Cardiology
1992–1996	<i>Chairman</i> , Clinical Practice Committee, Department of Pediatrics
1992–1996	Associate Professor, Promotions Committee, Johns Hopkins University School of Medicine
1993–1996	Promotions Committee, Department of Pediatrics

1997	Virginia Commonwealth University Health Systems Strategy Committee
1997	Finance Committee, MCV Physicians
1997	Search Committee, Radiology Chair
1997	Oversight Committee, Primary Care Consortium
1998	Search Committee, Chief Operating Officer, MCVH

**University of Maryland Medical System**

- 2010– Board of Directors
- 2010– Executive Committee
- 2010– Financial Affairs Committee

**University of Maryland Medical Center**

- 1999–2004 Executive Committee of Medical Staff
- 1999–2004 Council of Clinical Chiefs
- 1999–2004 Finance Committee
- 1999–2004 UMMC Operating Council
- 2002–2004 Chair, Compliance Committee
- 2003–2005 President-Elect, Medical Staff
- 2010– UMMC Committee

**Mt. Washington Pediatric Hospital**

- 2000–2004 Member, Board of Trustees

**University of Maryland School of Medicine**

- 1999–2004 Executive Committee of the School of Medicine Council
- 1999–2004 UPI Board of Directors
- 1999–2004 Clinical Affairs Committee
- 1999–2004 Fiscal Affairs Advisory Committee
- 2000–2004 Genetics Advisory Committee
- 2000–2004 UPI Finance and Audit Committee

2000–2004 Research Affairs Advisory Committee

2000–2004 Development Executive Director Search Committee

2000 Chair, Psychiatry Chair Search Committee

2001 Search Committee, Chair of Department of Medicine, Mercy Hospital

2001 Search Committee, Chief Development Officer

2001–2004 Secretary, Faculty Assembly

2001 Strategic Plan 2000–2005 Steering Committee

2001 Chair, Organizational Structure & Performance Subcommittee

2002–2004 Faculty Assembly Executive Committee

2002–2004 Clinical S.O.S. Primary Care Indigent Care Committee

2003–2004 Chair, University Physicians Inc., Finance and Audit Committee

### **University of Kentucky**

2004–2010 UKHC Executive Committee and Advisory Board

2004–2010 Kentucky Medical Services Foundation Board

2006–2010 President

2006–2010 UK Research Challenge Trust Fund Endowment Match Program Diversity Committee

2006–2007 UK Work–Life Committee, Executive Champion for Child Care Benefits

2006–2010 Chair, Interprofessional Education Initiative

2006–2010 Founder, Jumpin’ Jaguars Initiative

2007–2010 COM Diversity Advisory Committee

2007 ASTeCC Program Six-Year Review Committee

2007–2010 UKHC Executive Compliance Committee

2007–2009 Executive Champion, Breast Feeding/Lactation Task Force

## **University of Maryland, Baltimore**

- 2000–2001      President’s Task Force, review of Office of Contracts and Grants
- 2001            Search Committee for Vice President for Research and Development (VPRD)
- 2010–          Diversity Advisory Committee (DAC)
- 2010–          Foundation Board of Trustees
- 2010–          Maryland Life Sciences Advisory Board (LSAB)
- 2010–          Downtown Partnership/Downtown Management Authority Board Member

## **Other Hospital Privileges**

- 2002            Mount Washington Pediatric Hospital  
Baltimore, MD
- 2003            St. Joseph Medical Center  
Towson, MD

## **Teaching Activities**

### **Johns Hopkins University**

#### ***Annual***

##### **Physiology B–First Year**

Organizer and Director, Laboratory exercise in gastrointestinal physiology

##### **Pathology A–Second Year**

Clinical–pathological conferences: Discussant

##### **Human Pathophysiology–Second Year**

Lecturer: Gastroenterology

##### **Pediatrics C1. Clerkship**

Preceptor and Lecturer

##### **Pediatrics E. Elective**

E. 3. Research activities. Pediatric Gastroenterology and Nutrition

E. 31. Pediatric Gastroenterology–Clinical elective

## Medical College of Virginia and University of Maryland School of Medicine

### ***Ongoing***

Morning Report

Hot Box

Weekly Students/Chairman's Rounds

Chairman's Elective for Outstanding Fourth Year Students

University of Kentucky College of Medicine "Dean's Clinic"
