- Note- the FTE field and Change Amount fields can be updated for faculty

Specific Guidelines- **SOM** Faculty

- Clinical Faculty-
 - If the annual salary is less than Total Approved Salary (TAS) then the FTE may need to be changed to reflect the percentage of TAS that is paid by UMB
 - $FTE = \text{UMB salary} / \text{TAS}$
 - FTE can be entered using up to 4 decimals
 - If you are not increasing the UMB salary but have increased the salary in the practice plan, you may need to change the FTE
- Basic Science Faculty-
 - Full-time faculty not fully funded need to be reflected as 1 FTE

Specific Guidelines- **SOM** Faculty

- Fiscal Year FTE changes should not be entered on the PITP (*i.e. increases not related to merit*)
- EA/ePAF forms must be submitted for any FYC increases or decreases effective 7/1/14
- FYC actions will be processed after PP15-02
- If you have a significant decrease in FTE that will result in a large overpayment if not processed timely- it should be submitted to HRSC by June 24th so that it can be processed ASAP
 - Conspicuously note on EA form that FTE decreased
