ETS Notifications

- The Employee Work and Leave Records (Timesheets) policy and procedures were published in April 2016
- Faculty have been required to do electronic timesheets (ETS) since November 1, 2015
- Delinquent ETS are on the rise so we will attempt to curtail it before it is unmanageable or becomes an audit finding

ETS Notifications

- Beginning next week, automated e-mail reminders will be sent to employees reminding them that they haven't completed their timesheets
- An e-mail will be sent starting the Thursday morning after the Saturday pay period ends
 - Ex. PP#16-26 ends Sat, 6/25/2016. So if the ETS has not been completed by COB on Weds 6/29, the employee will receive an e-mail on Thurs 6/30

ETS Notifications

- The e-mail will be sent **EVERY** day until the ETS is submitted
- If an ETS Initiator has been set up for an employee, the Initiator will also get an e-mail
- All ETS that have not been completed will be listed in one e-mail
- ETS in open periods will be listed separately from ETS in closed periods
 - Employees will need to look at the most recent e-mail to determine whether the pay period is still open

ETS Notifications

- Announcement will be made in the Elm Weekly to be sent on Monday 6/27/2016
- You may want to remind your employees who they should contact in your department if they have any questions about their timesheets
- If you or your employees have difficulty with ETS, YOU should contact FSPR

ETS Notifications

- For some employees the list of ETS may be long so you need to be prepared to assist with completion!

 - If the annual salary is less than Total Approved Salary (TAS) then the FTE may need to be changed to reflect the percentage of TAS that is paid by UMB
 - $FTE = \text{UMB salary} / \text{TAS}$
 - FTE can be entered using up to 4 decimals, i.e. 0.5643
 - If you are not increasing the UMB salary but have increased the salary in the practice plan, you may need to change the FTE
- Basic Science Faculty-
 - Full-time faculty not fully funded need to be reflected as 1.00 FTE

Specific Guidelines: SOM Faculty

- Fiscal Year FTE changes should be entered on the PIT-P (i.e. increases not related to merit)
- FYC increases or decreases to salaries (i.e. increases not related to merit) effective 7/1/2016 must be done through ePAF with appropriate documentation
