F-1 Students: Do you need a travel signature on your I-20?

Before setting an appointment to have your I-20 signed, look at page 3 of the document (the one that looks like the below image). Is there a signature on one of the lines at the bottom? If yes, is the signature dated less than a year (or 6 months if you are on OPT) before your planned return date to the United States? If yes, then you do not need a signature. If you find that you do need a signature, please contact us at least a week before your planned departure to get your document signed.
