

THE UNIVERSITY OF MARYLAND BALTIMORE'S CAMPUS AT THE UNIVERSITIES AT SHADY GROVE

The Universities at Shady Grove (USG) is a regional center located in Rockville, Maryland, that supports programs from nine different institutions within the University of Maryland System. Students attend classes at USG but are still considered students of their “home campus.” In addition employees at USG can be affiliated with any of the nine institutions.

Please access the link <http://www.shadygrove.umd.edu/about/public-safety/> for the USG *Safety & Security* publication that is compiled and distributed annually in compliance with the *Clery Act* and contains crime statistics and statements of security policy. Annually, prior to October 1st, current students and employees are sent an email message providing them with a link to this brochure and notification that the current edition of the *Safety & Security* publication has been posted on the Universities at Shady Grove website. Printed copies may be obtained from the 24 hour security desk located in the Camille Kendal Academic Center on the Shady Grove campus.

Crime statistics for USG are reported, in their entirety, by each of the nine institutions that conduct classes at USG.
