

Student Wireless Login Directions

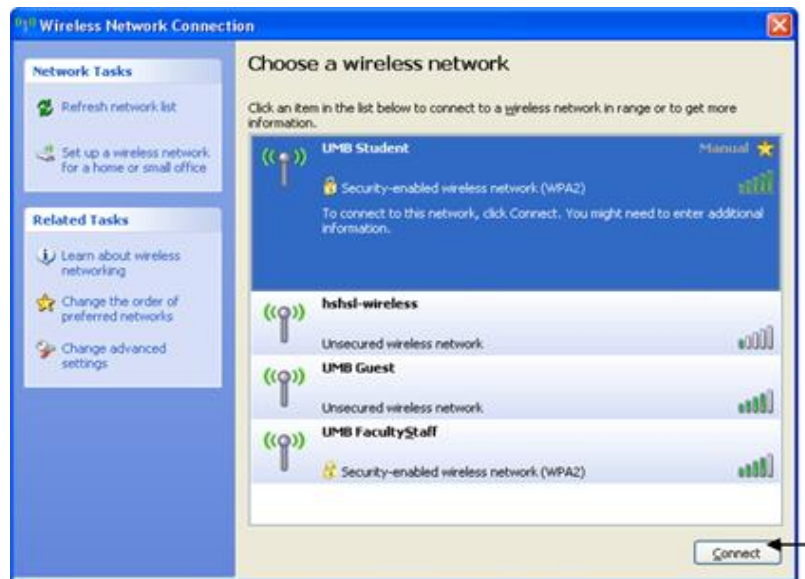

These directions are intended for students of the University of Maryland Baltimore.

Any UM faculty, staff or guests wishing to connect wirelessly, please see the Event Services staff for appropriate login information. Thank you.

- 1.) Click green “Intel Pro Wireless” Icon and choose “Configure WiFi”

- 2.) Select “**UMB Student**” and click “Connect”

- 3.) Open your internet browser and login with your myUMB username and password.
