

## Group Fitness Class Descriptions

Resist-a-ball - a stability/fitness ball is used to offer a heart pumping and core muscles building exercise class

Step - a high energy cardio class that offers beginners and intermediate participants various step choreography

Core—this class utilizes all resources to strengthen the “powerhouse” - abs, lower back and glutes

Body Tone - a resistance training class that will work all major muscles groups and those you didn't know you had too! Time for a change!

Group Cycling - a class for all fitness levels that closely resembles a ride of the road, encountering challenges of hills, jumps, intervals and sprints

Pilates - Classes will combine stretching and strengthening routines designed to work the “core muscles” of the body

Pilates Sculpt - Resistance bands and a variety of apparatuses are used to gain stronger and flexible muscles, increase coordination, and improve balance and posture

Yoga - postures, breathing and meditation are integrated together to promote flexibility, strength, stability and energy

Zumba® - fuses hypnotic latin rhythms and easy to follow moves to create a dynamic fitness program that will blow you away

Classes are a minimum of 50 minutes and a maximum of 60 minutes long.
