School of Graduate  
Studies  
Physician Assistant  
Leadership and Learning  
Academy  
University of Maryland  
Baltimore

College of Medicine  
Florida State University  
1115 Call Street  
Tallahassee, Florida  
**email: James.Cawley@med.fsu.edu**

### **Present Appointments**

Professor, School of PA Practice, College of Medicine, Florida State University (part time), 2019-present

Professor and Scholar-in-Residence, Physician Assistant Leadership and Learning Academy, The Graduate School, University of Maryland Baltimore

Professor Emeritus, Department of Prevention and Community Health, Milken Institute School of Public Health, The George Washington University

### **Past Appointments, The George Washington University**

#### **Milken Institute School of Public Health**

Interim Chair, Department of Prevention and Community Health, 2011-2013

Faculty, Community-Oriented Primary Care Track, Department of Prevention and Community Health  
Founding Director, PA/MPH Program, 1987-2017

### **Academic Appointments**

1997-2018	The George Washington University, Milken Institute Health School of Public Health	Professor Department of Prevention and Community Health (Tenure)
1997-2018	The George Washington University, School of Medicine And Health Sciences	Professor Department of Physician Assistant Studies

1984-1997	The George Washington University, School of Medicine and Health Sciences	Associate Professor, Department of Health Care Sciences
1981-1984	The George Washington University, School of Medicine and Health Care Sciences	Assistant Professor, Department of Health Care Sciences, Research Coordinator, PA Program (Tenure)

1981-1982	Essex Community College	Director, PA Program
1979-1981	Yale University School of Medicine	Lecturer in Medicine, Physician Associate Program
1976-1979	The Johns Hopkins University School of Health Services	Instructor Health Associate Program
1975-1976	SUNY at Stony Brook School of Allied Health Profession	Instructor, Allied Health Clinical Coordinator, Physician Assistant Program
1974-1975	The Johns Hopkins University School of Health Services	Docent, Physician Assistant Program

### **Administrative Appointments in the School of Medicine/School of Public Health, The George Washington University**

Interim Chair, Department of Prevention and Community Health, School of Public Health and Health Services, 2011-2013.

Vice Chair, Department of Prevention and Community Health, School of Public Health and Health Services, 1998-2006; 2009-2011.

Interim Director, Physician Assistant Program, 1985; 2007-2009

Director, Physician Assistant/Master of Public Health Program, 1987-2017.

Research Coordinator, Physician Assistant Program, 1981-1992.

Associate Director, Master of Public Health Program, 1986-1991.

Director, Health Promotion/Disease Prevention Track, Master of Public Health Program, 1991-1995. Director, Epidemiology/Preventive Medicine Track, Master of Public Health Program, 1989-1993. Acting Director, Physician Assistant Program, 1985. 2008

### **Education**

D.H.L (honoris causa) Philadelphia College of Osteopathic Medicine, 2013.

Doctoral study, Department of Health Services Management and Policy, School of Business and Public Management, The George Washington University, 1991-1996. **Major Field: Health Workforce Policy**

Epidemic Intelligence Service Course in Epidemiology and Biostatistics, Epidemiology Program Office, Centers for Disease Control, Atlanta, GA, 1988.

Graduate Summer Program in Epidemiology, School of Hygiene and Public Health, The Johns Hopkins University, 1985.

Doctoral coursework, School of Hygiene and Public Health, Department of Behavioral Science, The Johns Hopkins University, 1980-1982.

M.P.H. School of Public Health, The Johns Hopkins University, Epidemiology/ Infectious Disease, 1979.

B.S. Touro College, Physician Assistant Program, New York, Certificate as Physician Assistant, 1974.

B.A. St. Francis College (PA), History/Political Science, 1970.

### **Awards, Honors and Fellowships**

Primary Care Health Policy Fellowship, Health Resources and Services Administration, US Department of Health and Human Services, 2003.

Visiting Scientist, Department of the History of Medicine, School of Medicine, The Johns Hopkins University, 2005-2006.

Distinguished Fellow, American Academy of Physician Assistants, 2010.

Adjunct Associate Professor, Department of Physician Assistant Studies, Arizona School of Health Sciences, A.T. Still University, 2001-present.

Patron of the Physician Assistant Profession Award. The University of Utah Physician Assistant Program, August 6, 2010.

Eugene Stead Award of Lifetime Achievement, American Academy of Physician Assistants, 2011. The first PA ever to receive the Stead Award.

Visiting Fellow, The Robert Graham Center for the Study of Primary Care, 2013.

Doctor of Humane Letters (honoris causa) awarded by the Pennsylvania College of Osteopathic Medicine, Philadelphia, PA, July 26, 2013.

Senior Research Fellow, American Academy of Physician Assistants, 2014-2016

### **Certification, Licensure**

Certification, National Commission on Certification of Physician Assistants, #750285. Initial certification, 1975; Recertified: 1981, 1987, 1993, 2005, 2007, 2010, 2016.

Registered Physician Assistant - New York;

License as Physician Assistant, Maryland Board of Physicians, #CO1358. Inactive

### **Other Appointments/Advisory**

Advisory Committee on Training in Primary Care Medicine and Dentistry, Health Resources and Services

Administration, 2007-2011.

Healthy People Curriculum Task Force. Association of Teacher of Preventive Medicine/Association of Academic Health Centers, 2004-present.

Teaching Assignments, School of Medicine and Health Sciences and School of Public Health and Health Services, Academic Year 2017-2018

PA 6219 Role of the PA in American Medicine PubH

6501 Evaluation

PubJ 6512 COPC Policy

PubH 290 PA/MPH Seminar

PA 6241 Clinical Integration (small group leader)

Academic Innovations

- Assisted in the founding of the Master of Public Health Program at GWU. Served as initial Associate Director of the MPH Program; wrote initial CEPH Self Study document; taught the introduction to epidemiology course to MPH students for 10 years.
- Founded in 1987 the Physician Assistant/Master of Public Health Program in the School of Medicine and Health Sciences at The George Washington University. The PA/MPH Program is a combined health professions degree program that is the only one of its kind in North America and has graduated more than 45 health care professionals. The PA/MPH curriculum has been cited as an “innovative health professions program” by the Accreditation Review Commission - Physician Assistants, and recognized as a “distinctive asset” to the University by the PA Grant Awards Review Committee of the Division of Medicine, Bureau of Health Professions, Department of Health and Human Services.
