

To: UMB Administrators/Fiscal Officers
From: Office of the Controller (OOTC)
Subject: Quantum Financials Fiscal Year-End Deadlines
Date: April 2, 2025

As we head to the end of Fiscal Year 2025 (FY25), your cooperation is requested to ensure that transactions are properly recorded in the correct accounting period. Adherence to prescribed procedures is important. Our ability to make exceptions for deadlines may be limited. A brief description of the critical deadlines to assist you with your department's year end closing process follows. Please circulate this memo to all personnel involved in the fiscal and business operations of your department. Note: all dates are in 2025.

Requisitions for FY25 Expenditures

Procurement requisitions where the expenditure must be recorded in FY25 totaling more than \$200,000 must be received in Strategic Sourcing and Acquisition Services (SSAS) by Friday, April 18. Requisitions totaling less than \$200,000 must be received in SSAS by Friday, May 9. Please ensure that any back-up documentation necessary is included as requisitions will be held until documentation is received. Adherence to these deadlines will help us to ensure that a purchase order is generated by June 30th. Requisitions submitted after May 9 will need to be processed as a FY26 requisition following the procedures below for 'Requisitions for FY26 Expenditures'.

Procurements involving complicated proposal submissions from vendors, contracts, lengthy evaluations, or those requiring outside agency approval have a long lead-time. Requisitions of this type should be submitted IMMEDIATELY. It is recommended that you consult with SSAS as soon as your needs are identified.

Requisitions for FY26 Expenditures

The July 2025 period will be opened in Quantum on Friday, March 28 so you can begin creating requisitions for FY26 on that date. PLEASE NOTE: On the requisition in the 'Note to Buyer' section, indicate that this is a FY26 requirement. For non-project requisitions, the budget date and requested delivery date must be 7/1/2025. For project requisitions, the expenditure item date, budget date and requested delivery date must be 7/1/2025. The expenditure item and budget date fields default to the current date in Quantum so they must be manually changed. The requested delivery date field defaults 30 days from requisition creation date in Quantum, so it must be manually changed.

FY25 Accounts Payable

For expenses to appear in FY25, the following deadlines must be adhered to by invoice type and/or payment method:

PO invoices- receipts for goods and services must be entered into Quantum and invoices must be emailed to AP_FINSVC@umaryland.edu by Friday, June 6.

NONPO Supplier Registrations- new suppliers that are needed for FY25 invoices must be entered with complete and accurate information by Wednesday, May 28.

NONPO invoices with “State Payment” payment method- the invoice must be initiated and approved by the department and supporting documentation must be uploaded to the [webform](#) by Wednesday, June 11. (W-9 forms are uploaded separately to the [W-9 Submission Form](#)).

NONPO invoices with “General Working Fund” payment method- the invoice must be initiated and approved by the department and supporting documentation uploaded to the [webform](#) by Wednesday, June 11. (W-9 forms are uploaded separately to the [W-9 Submission Form](#)).

PO or NONPO invoices with “STO WIRE” payment method- the wire requests and documentation should be sent to the appropriate area. PO: send to AP_FINSVC@umaryland.edu; or, NONPO: upload to the NONPO [webform](#) by Friday, June 6. Indicate “WIRE REQUEST”. (W-9 forms are uploaded separately to the [W-9 Submission Form](#)).

NONPO invoices created before June 2 but not approved by the department by June 13 will be cancelled/deleted by OOTC. NONPO invoices created after May 29 that are not submitted and department approved by the deadline will be swept to July and posted in FY26.

For State and Auxiliary account combos where the invoice is submitted and/or received after the deadline but the services or materials were delivered in FY25, an accrual journal entry (source MDB) will be created by OOTC in Quantum Financials charging an expense in FY25. The amount will be posted (and viewable in Quantum Analytics) by Wednesday, July 2. The accrual will be reversed in July when the actual invoices will be processed.

FY25 Travel and Business Expenses (TBE) and Concur Travel Expense

For TBE and Concur reimbursements to appear in FY25, the following deadlines must be adhered to by recipient type:

Employee business and travel expense forms- must have supervisor and fiscal approvals by Tuesday, June 10 so that they can be loaded in the last full payroll of FY25 (PP#25-26).

Non-employee travel expense NONPOs – see the section on [NONPO invoices with “State Payment”](#) above.

FY25 VISA Procurement Card (PCard) Expenses

The expenses for the PCard transactions appearing on the June 26 billing statements (and all prior billing periods) must be submitted and approved on expense reports by Friday, June 27. The accrual for all PCard transactions that have been loaded to Quantum Expenses but not submitted and approved on an expense report will be as of June 27 and will be posted to the cardholder's default account combo. If you need to reflect PCard expenses in FY25 in projects or account combos other than the default account combo, ***you must submit expense reports in June and not wait until July.***

If you want to view your PCard statement between June 27 and June 30, you can access your statement through your US Bank Online Access account.

FY25 Debit Memos (DMs)

Due to high volumes at year-end, please submit and approve debit memos (DMs) as early as possible. DMs that have not been approved in OOTC by June 30 will be swept to the July accounting period. DMs created before June 1, but not approved by the department by June 30th, will be cancelled by OOTC.

Between Monday, June 30 and Monday, July 7 a journal entry (JE) for June may be requested for transfers between **non-project** account combos only. ***This accrual option is not available for projects.*** First, create a debit memo (DM) for the transfer in July, then request an accrual JE via email to Ajibola Akintola (aakintola@umaryland.edu) to record the DM transfer in June. Include the DM invoice number in the email request. The accrual JE will be reversed in July when the actual DM will be processed.

FY25 RSTARS Transfers

Requests for RSTARS transfers that are charged to a Project must be made by Wednesday, June 25.

RSTARS transfers that are charged to a GL Account Combo must be made by Wednesday, July 2.

The form to request the RSTARS transfers can be found at:

<https://www.umaryland.edu/financialservices/general-accounting/rstars-request-forms/>

FY25 Payroll

A separate memo will be distributed by Payroll Services with the details regarding the year end payroll processes. Please note, pay period #26-01 which includes earnings from FY25 will be viewable in Quantum Analytics on Friday, July 18.

FY25 Deposits

For cash receipts to be posted against revenue or receivables for FY25, the deposit must be submitted to the Cashier's office (HS/HSL building) by 3pm on Thursday, June 26th. All deposits at the Cashier office are by appointment only. To schedule an appointment, please book via Microsoft Bookings at:

<https://outlook.office365.com/owa/calendar/UMBUniversityCashier@umbcits.onmicrosoft.com/bookings/>

FY25 CBS Bills to UMBF and USMF

CBS bills issued to the UMB Foundation or USM Foundation can be entered with an accounting date and transaction date of June 30th so that revenue is recognized in FY25. These bills must be entered and completed by Wednesday, July 2.

Reminder – Disbursements from UMBF and USMF also require submitting a disbursement request to UMBF or USMF. UMBF and USMF year-end processing deadlines may differ from UMB deadlines. Contact UMBF or USMF for their deadlines.

Fiscal Year Close

The general ledger will be closed for FY25 no later than Thursday, July 24. Final closing balances can be viewed in Quantum Analytics as of Friday, July 25. If we are able to close earlier in the week (no earlier than Monday, July 21), we will update the Financials calendar and Quantum Employee News pagelet.

If you have questions concerning these submission dates, please feel free to contact the appropriate person listed below:
