The Incidental Rates included in the GSA and Department of State rates are not reimbursable. Maximum rates are not entitlements. Operational Units have the authority to reduce payments based on availability of funds, availability of lower cost alternatives, specific requirements of funding sources, or reasonableness. Operational Units may request travelers to submit receipts to support meal expenses.

Read the Policy and the Procedures for details on allowable costs and reimbursement requirements.

Operational Units may use the standard meal rate or the rates stated on the applicable federal agency website. Visit the [UMB Travel Rates](#) page.

Meals taken on the day of departure and on the day of return are paid up to 75% of the total daily per diem.

This Guide is available at: <http://www.umaryland.edu/media/umb/af/fs/travel/pocket-guide.pdf>

General Policy

In the course of UMB business, UMB Employees and Nonemployees (e.g. job applicants, lecturers, consultants, researchers, students, and other individuals) may travel on behalf of UMB. Individuals may be reimbursed using **UMB Funds** for allowable expenses that are directly related to the business purpose of the trip, evidenced by receipts and/or other supporting documentation, and fall within the guidelines set forth in the Policy and Procedures.

UMB Funds are all funds administered by UMB, regardless of fund source. UMB Funds include State-appropriated general funds, tuition, fees, other income, auxiliary funds, revolving/discretionary funds, Designated Research Initiative Funds, gifts, contract or grant revenues, and other restricted funds.

Business Travel expenses charged to **UMB Funds** must be **reasonable, necessary, allowable, and incurred to fulfill a bona fide business purpose of UMB**. The reasonableness of an expense depends upon many relevant factors, including the business purpose of the travel, the destination, and the duration of travel. **Allowable and unallowable expenses are described in the [Financial Services Procedure – Business Travel](#).**

Pre-Approval

Appropriate approval is required prior to the commencement of travel as described in the Procedure.

A Travel Request eForm (TR) must be **fully approved prior to the departure date** for the following types of travel:

- International
- Out-of-State (UMB Employees only)*
- In-State Overnight (UMB Employees only)
- Booked through a UMB contracted travel agency
- Travel that includes a car rental

*Out-of-State refers to travel outside Maryland and Washington, D.C.

Reimbursement

A Travel Expense eForm (TE) is required when seeking reimbursement for out-of-pocket expenses.

Nonemployee travelers must also complete and sign the [Nonemployee Business Travel Certification Form](#) (NBTC). The NBTC must be uploaded into the eTravel System with the TE.

TEs must be submitted in the eTravel System within 60 days from the Return Date. TEs submitted after 60 days are late and are reported as taxable income to the recipient. A [Late Submission Form](#) is required. Read the Employee Procedure for details.

A summary of allowable and unallowable miscellaneous expenses is available here: <http://www.umaryland.edu/financialservices/disbursements/travel/reimbursement/>

Lodging

UMB payments for lodging expenses are based on the standard room rate as evidenced on submitted receipts as described in Financial Services Procedures on Business Travel.

Visit the [federal per diem rate page](#) to determine reasonable rates for the location and time of year. Also consider local events that may impact hotel rates (e.g. sports, entertainment, large conferences, etc.). Feel free to visit the hotel's webpage to assess whether the hotel is luxurious, extravagant, charges

extra for city or harbor views, etc. Expenses incurred for personal preference or convenience will not be paid.

Transportation

Air/Rail Travel

Travelers are expected to purchase the least expensive logical fare via the most direct route. Payment requests for unreasonable or excessive costs may be denied. Read the Policy and the Procedures for details on allowable costs and reimbursement requirements.

Travel Agency

Coach/economy air and rail fares may be purchased through a contracted travel agency and billed directly to UMB. Visit [UMB Travel Agencies](#) for a list of contracted agencies. Charges for upgrades, personal travel, traveling companions, lodging, car rentals, personal preferences, or other charges must be paid with a personal credit card at the time of booking.

Paid by Individual

Authorized expenses paid with personal funds may be reimbursed up to the approved amount allowed by UMB policy.

Read the Policy and Procedure for additional requirements and restrictions on:

- air and rail travel other than coach/economy class
- federally funded air travel

Use of Personal Vehicle

Mileage is reimbursed at the mileage rate in effect at the time of travel. Visit the [UMB Travel Rates](#) webpage.

Employees must subtract commute mileage from the total business mileage if the trip occurs on a regularly scheduled workday and begins or ends at a location other than the employee's primary worksite. Read the Procedure for details.
