A PUR01 is the method established in the UMB financial system to process transactions for payments that are subject to standard State procurement procedures (See UMB Purchasing Guide).
PUR01
Standard Purchase Order

Beginning on page 5 of the UMB Purchasing Guide:

1. Purchases less than $5,000
   a. P-Card or
   b. PUR01

2. Purchases equal to, or greater than $5,000, require a PUR01.
PUR01
Standard Purchase Order

Important:

• All purchases that require a signed contract must be submitted to Strategic Sourcing and Acquisition Services (aka SSAS, Procurement) regardless of dollar amount or the method of purchase (P-card or requisition).

Only SSAS is authorized to sign a contract on behalf of UMB.

• Read the Financial Services Procedure on how invoices are processed here: https://www.umaryland.edu/policies-and-procedures/library/financial-affairs/procedures/financial-services/disbursements-for-standard-procurements.php
A PUR02 is the method established in the UMB financial system to process transactions for payments that are NOT subject to standard State procurement procedures.
PUR02

Payment Request

• UMB Tutorial for processing a PUR02 is available in the myUMB portal:

• The Requisitioner Role is required to process a PUR02.
e-Z Payment

• Honorarium
  – One-time payment to an individual for a service, such as a speech, lecture, or demonstration.
  – May include consideration for expenses such as travel, meals, etc.
  – Recipient cannot be a UMB employee.
  – Recipient cannot be a business entity. A business entity can be identified by the name of the payee or by the tax identification number (TIN). If the TIN begins with two numbers (e.g. 52-), the recipient is a business.
  – Recipient cannot be a consultant or other professional whose primary source of income is generated from the service provided to UMB.
e-Z Payment

• Stipend
  – A payment, or series of payments, to an individual (e.g. trainee, intern) that represents an allowance for the cost of living while the individual performs research, training, or other activity covered by a grant or contract.
  – Recipient cannot be a UMB employee.
  – Recipient cannot be a business entity. A business entity can be identified by the name of the payee or by the tax identification number (TIN). If the TIN begins with two numbers (e.g. 52-), the recipient is a business.
  – Recipient cannot be a consultant or other professional whose primary source of income is generated from the service provided to UMB.
e-Z Payment

• FLSA 6-tier test for Stipends vs. Wages
  – The training, even though it includes actual operation of the facilities of the employer, is similar to that which would be given in a vocational school;
  – The training is for the benefit of the trainee;
  – The trainees do not displace regular employees, but work under close observation;
  – The employer that provides the training derives no immediate advantage from the activities of the trainees and on occasion the employer’s operations may actually be impeded;
  – The trainees are not necessarily entitled to a job at the completion of the training period; and
  – The employer and the trainee understand that the trainees are not entitled to wages for the time spent in training.
