David.Bolton@T-Mobile.com

**Verizon**

Contract#: GSA Contract # GS-35F-0119P  
Award Term: 12/3/2003 – 12/30/2023  
POC: Chris Jackson, Business Account Manager  
Mobile: 301-643-1118  
Email: Christopher.Jackson1@verizonwireless.com  
Website: wfmFederalAccountSupport@VerizonWireless.com  
www.verizonwireless.com

**Directions:** If a department has not set up an authorized user with Verizon and have an account, email Hanta Ralay at hralay@umaryland.edu with the following: authorized user’s name, Department, Email address and Verizon account number. Strategic Sourcing and Acquisition Services will set the person up as an authorized user and email a user ID/password that can be changed once the person signs in as the authorized user. The authorized user can make changes to the account, order equipment/accessories, order new service and pay invoices online. For individuals who do not have an account, contact Christopher Jackson who will assist with the needs of the individual. Once Mr. Jackson has set up an account, follow the above directions and the authorized user will be able to use Verizon online.
