

# Sponsored Programs Administration Award Receipt and Setup Review

The investigator, the department and SPA are notified via email of the project numbers from SPAC.

The department is responsible for reviewing the project and chart string data which includes award-related information. The department must notify SPAC and SPA of any concerns of corrections before any expenses are charge to the project. The following data must be reviewed in UMB financials:

1. [Program/Purpose](#)
2. [Owner Department Code](#)
3. [Business Unit](#)
4. Location (ON/OFF Campus)
5. Cost Share
6. Project and Award Budget Periods
7. Award Amount
8. F&A Rate %
