

Sharing OneDrive Files and Folders

You can share OneDrive files or folders with other people. This includes UMB employees, students and people outside of the University. Sharing can be stopped at any time.

From the Office 365 Portal (Portal.office.com)

- 1. From the OneDrive app, pick the file or folder you want to share by selecting the circle to the left of the file/folder.
- 2. Click the **Share** icon to the right of the file name OR click **Share** in the toolbar.

- 4. In the To: Name, group or email field:
 - a. If the recipient is a UMB (non-SOM) employee/student, the field is a search field and will access the UMB directory.
 - b. If the recipient is a SOM employee/student or external to the University, you must enter their entire email address.
- 5. To the right is the **View/Edit** icon. The default is VIEW ONLY. To allow the recipient to edit, click on the icon and select **Can Edit**.

- 6. Enter a message in the **Message** field.
- 7. Click Send.

A link to the file/folder will be sent to the recipient via email.

Shared Information – Removing Shared Access

To see your file or folder information and who you have shared with, under the **Sharing** column in OneDrive via the Office 365 portal, you will see the sharing status.

	W	Assistance.docx			Tuesday at 6:42 AM	Cullen, Theresa	11.7 KB	Private
