

UMB *celebrates* America at 250

Discover the UMB Treasures That Tell America's Story

As part of UMB Celebrates America at 250, discover the remarkable collections and historic landmarks that preserve the University's role in the history of Maryland and our nation. During our Historical Treasures Tour, visit museums, archives, and historic sites that tell the stories of education, health care, science, and public service spanning generations.

TUESDAY, OCTOBER 20, 2026 | NOON – 2 P.M.

JOSEPH U. DORSCH SR., BSP '39, PHARMACY MUSEUM

Discover rare bottles, vintage prescriptions, and historic artifacts that showcase the development of pharmacy education and pharmaceutical science in the United States.

HISTORICAL COLLECTIONS AT THE HEALTH SCIENCES AND HUMAN SERVICES LIBRARY

Explore rare books, archives, and historical records that document the evolution of dentistry, medicine, nursing, pharmacy, social work, and higher education in America.

DR. SAMUEL D. HARRIS NATIONAL MUSEUM OF DENTISTRY

Explore exhibits highlighting how oral health, dental education, and innovation have improved the lives of generations of Americans.

NURSING LIVING HISTORY MUSEUM

Learn how nurses have cared for communities and helped shape American health care through exhibits honoring the profession's rich history.

WESTMINSTER HALL AND BURYING GROUND

Visit one of Baltimore's oldest historic landmarks, where Maryland's early history and the legacy of writer and poet Edgar Allan Poe come together.
