Considerations for Purchases using MGIC

Is the client MGIC (the entity)?

- yes
  - If the client is UMB:
    1. Will goods & services be delivered primarily outside the US?
    2. Does the transaction pose a threat or actual liability to UMB or the State of MD outside the US?
    3. Are there other major risks & costs that make it unwise for UMB to take action?

  - If yes to ANY of the questions above
    - Use MGIC procurement process
  - If no to ALL the questions above
    - Use UMB procurement process

- no
  - Use UMB procurement process
