

Thank you for your interest in **Children's Manor and Children's Magnet Montessori Schools**. At our schools, we combine the educational precepts of Dr. Maria Montessori with a twenty-first century outlook.

Our **Mission** is to prepare our children to excel in a global society by providing an academically rigorous, engaging and supportive learning environment that cultivates curiosity, creativity and critical thinking.

We focus on **Developing the Whole Child** and offer comprehensive programs that balance the social/emotional, cognitive, physical and academic development of children. Our students have consistently scored one to three grade levels above their public school counterparts in reading and mathematics.
