MLIS**  
Research and Education  
Librarian  
School of Medicine  
University of Maryland,  
Baltimore

Did you know the HSHSL can cover open access publishing fees in Wiley and Elsevier hybrid journals? Join this session to learn more about these publishing opportunities and explore additional HSHSL services that can help you maximize your research, such as choosing the right journal, tracking research impact, conducting evidence syntheses, managing research data, and navigating NIH public access and data sharing policies.
