What Is the Filing Fee and Processing Time?

The following benefit requests are designated under the regulations for Premium Processing Service. Please be aware that **you may only request premium processing for a benefit if USCIS has announced on its website that premium processing is available** for that benefit. Your request for premium processing must also comply with any conditions that may apply. Therefore, you may not request premium processing for a benefit that is designated for premium processing under the regulations but not available for premium processing on the USCIS website. To determine if Premium Processing is available for your benefit request, please visit our website at www.uscis.gov/I-907 or call the USCIS Contact Center at **1-800-375-5283**. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

The Premium Processing fee is in addition to all other applicable filing fees. Form I-907 may not be filed by a beneficiary or co-applicant of the primary form for which premium processing is being requested.

You must pay for Premium Processing Service with a **separate check or money order**. (For example, one check or money order attached to the relating petition or application, and one check or money order attached to Form I-907).

NOTE: USCIS will only refund the filing fee if we do not take action on the related case within the applicable processing timeframe. Otherwise, the filing fee is not refundable, regardless of any action USCIS takes on this request. **DO NOT MAIL CASH.** You must submit all fees in the exact amounts.

Use the following guidelines when you prepare your check or money order for the Form I-907 filing fee:

1. The check or money order must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency; **and**
2. **Make the check or money order payable to U.S. Department of Homeland Security.**

NOTE: Spell out U.S. Department of Homeland Security; do not use the initials “USDHS” or “DHS.”

Notice to Those Paying by Check. If you send USCIS a check, we will convert it into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours and your bank will show it on your regular account statement.

You will not receive your original check back. We will destroy your original check but will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. If your check is returned as unpayable, we will re-submit the payment to the financial institution one time. If the check is returned as unpayable a second time, we will reject your request and charge you a returned check fee.
