

Safer Sex Program

In partnership with the Maryland Department of Health (MHD), the Wellness Hub is providing free safer sex supplies, such as external/internal condoms, lubricant, and dental dams. The bag of supplies will include instructional and health resource information.

Want to request safer sex supplies as a UMB student? All UMB students are eligible to participate in this program. After a request is made, safer sex supplies will be available for pickup at the lockbox (SMC Campus Center, 1st Floor bathrooms) within approximately 3-5 business days. An email will provide you details to access the lockbox.

Are you a UMB residence hall or department? Housing residence and office directors that support student health and wellbeing are eligible to request safer sex supplies - FREE OF CHARGE - through our online request form. After a request is made, safer sex supplies in bulk will be available for pickup at the lockbox (SMC Campus Center, 1st Floor bathrooms) within approximately 3-5 business days. An email will provide you details to access the lockbox.
