

## Human Subjects Research Training Requirements

### CITI Training

ALL individuals (including IRB members) engaged in human participant research must take one of the following courses:

- **Group 1** - Biomedical Research Investigators and Key Personnel or
- **Group 2** - Social / Behavioral Research Investigators and Key Personnel

*\* You must affiliate with "University of Maryland Baltimore" (NOT "University of Maryland Baltimore, School of Medicine") to access the correct course*

*\*\*\* A refresher course must be completed  
EVERY THREE YEARS*

[here](#)

### HIPAA Training

UMB policy requires that all individuals employed at UMB must take **HIPAA 125** (previously HIPAA 101 and HIPAA 120), regardless of whether they are engaging in research.

All individuals engaging in research at UMB are also required to complete **HIPAA 201**.
