BALTIMORE

CICERO SSO Access for Affiliated Research Team Members

In order to maintain the integrity and security of UMB's research platforms, a required update to CICERO sign-in processes is forthcoming. The local log-in option will no longer be available once this transition is complete. All individuals utilizing CICERO will require a UMID for single sign-on (SSO).

If the affiliate research team member already has an active UMID they are using to access other UMB resources and need to create a CICERO account they can follow these steps:

Pre October 20, 2025

1. Go to: <https://cicero.umaryland.edu>
2. Select 'Create Account', complete and submit the electronic form

After October 20, 2025

1. Go to: <https://cicero.umaryland.edu>
2. Enter their UMID/Password and DUO if requested
3. Select 'Create Account', complete and submit the electronic form

If the affiliate research team member already has an active UMID they are using to access other UMB resources and has a CICERO account they access with the Login. They can follow these steps to associate their UMID and CICERO account:

Pre October 20, 2025

1. Go to: <https://cicero.umaryland.edu>
2. Select: UMB Employee/ Student/Affiliate Login
3. Enter your UMID/Password and DUO if requested
4. Enter Their existing Local Login Username/Pwd to associate the UMID and CICERO account

After October 20, 2025

1. Go to: <https://cicero.umaryland.edu>
2. Enter your UMID/Password and DUO if requested
3. Enter Their existing Local Login Username/Pwd to associate the UMID and CICERO account

For UMB Students/Staff/Faculty, they will use the following steps to request a CICERO account:

Pre October 20, 2025

1. Go to: <https://cicero.umaryland.edu>
2. Select: UMB Employee/Student/Affiliate Login
3. Enter your UMID/Password and DUO if requested
4. Select 'Create Account', complete and submit the electronic form

After October 20, 2025

1. Go to: <https://cicero.umaryland.edu>
2. Enter your UMID/Password and DUO if requested
3. Select 'Create Account', complete and submit the electronic form
