jsimons@umaryland.edu.

Employee Name:

Appointment Title:

Country of Legal Residency:

Country of Citizenship:

Faculty Sponsor/Supervisor Name:

School:

Department, center, institute:

Under U.S. export control regulations, the release of technology or technical data to a foreign national in the U.S. is deemed to be an export to the individual's home country, even though the release occurs entirely within the United States. This form aids UMB in determining whether any license or authorization is required before an export can take place. For more details about Export Control please see the [Export Control web pages](#).

The following questions must be completed and the form signed by the faculty sponsor/supervisor. Where requested, please describe the technology or information.

1. Will the employee have access to any proprietary or confidential information derived from a third party (such as a corporate sponsor) that cannot be shared and/or is subject to publication restrictions? [Access would include verbal discussions, training, access to shared drives or websites, access to laboratories and equipment.]

YES NO

2. Will the employee be working on activities that are subject to a restriction or prohibition on participation by foreign nationals?

YES NO

3. Will the employee be working on the design, development, or modification of any item for a military or space application, or any project funded by NASA or the Department of Defense (DARPA, Army, Navy, etc)?

YES NO

4. Will the employee be working with high-tech or experimental equipment (for example, high speed computers, sensors, materials, electronics, lasers, telecommunication devices or other cutting edge equipment)?

YES NO

Describe: _____

5. Will the employee have access to any pathogens, toxins, vaccines, nerve agents, nerve agent precursors, or medical countermeasures?

YES NO

Describe: _____

6. Will the employee have access to encryption software or technology?

YES NO

Describe: _____

Signature of Faculty Sponsor/Supervisor

If an export license is not required, this form will be signed by the Export Control Officer and returned to the submitter and, when appropriate, to the Office of International Services or University Counsel. The Export Control Officer will contact the Faculty Sponsor/Supervisor with questions or concerns and if needed, to follow up on any license or other requirement.

Export compliance review of this form and other available information has resulted in the determination that no license or other authorization is required.

Export Control Officer
