401.1 PURPOSE AND SCOPE

This policy provides guidance to department members that affirms the University of Maryland, Baltimore Police Department's commitment to policing that is fair and objective (Md. Code TR § 25-113).

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

401.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based policing - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin (including limited English proficiency), religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement.

401.2 POLICY

The University of Maryland, Baltimore Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

401.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited. However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

401.3.1 OTHER PROHIBITIONS

The University of Maryland, Baltimore Police Department prohibits the illegal use of an individual or group's attire, appearance or mode of transportation, including the fact that an individual rides a motorcycle or wears motorcycle-related paraphernalia, as a factor in deciding to stop and question, take enforcement action, arrest or search a person or vehicle (Md. To the extent that written documentation would otherwise be completed (e.g., arrest report, field interview), the involved officer should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

401.4.2 REPORTING TRAFFIC STOPS

However, this does not alter the authority of an officer to make an arrest, conduct a search or seizure, or otherwise fulfill the officer's law enforcement obligations (Md. Code TR § 25-113).

Each time an officer makes a traffic stop, the officer shall report any information as required in the Safety Equipment Repair Orders (SERO), Traffic and Parking Citations Policy (Md. Code TR § 25-113).
