

Report Preparation

322.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to those members of the Department who complete investigations and reports as a part of their duties.

322.2 POLICY

It is the policy of the University of Maryland, Baltimore Police Department that members shall act with promptness and efficiency in the preparation and processing of all reports. Reports shall document sufficient information to refresh the member's memory and shall provide enough detail for follow-up investigation and successful prosecution.

322.3 EXPEDITIOUS REPORTING

An incomplete report, unorganized reports or reports that are delayed without supervisory approval are not acceptable. Reports shall be processed according to established priorities or to a special priority made necessary under exceptional circumstances.

322.4 REPORT PREPARATION

Reports shall be sufficiently detailed for their purpose and free from errors prior to submission and approval. It is the responsibility of the member to complete and submit all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor (Md. Code PS § 3-514). Generally, reports requiring prompt follow-up action on active leads or arrest reports where the suspect remains in custody should not be held.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard, or assimilated by any other sense, and any actions taken. Members shall not suppress, conceal, or distort the facts of any reported incident, nor shall any member make a false report orally or in writing. Generally, the reporting member's opinions should not be included in reports unless specifically identified as such.

322.4.1 HANDWRITTEN OR TYPED REPORTS

County, state and federal agency forms may be block printed unless the requirement for typing is apparent. Supervisors may require block printing or typing of reports of any nature for department consistency.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting member will be required by the reviewing supervisor to promptly make corrections and resubmit the report.

In general, the narrative portion of reports where an arrest is made or when there is a long narrative should be typed or dictated. Members who dictate reports shall use appropriate grammar, as the content is not the responsibility of the typist.

Members who generate reports on computers are subject to all requirements of this policy.
