

JMB FAST FACTS

MISSION

To improve the human condition and serve the public good of Maryland and society at-large through education, research, clinical care, and service.

VISION

The University will excel as a preeminent institution in its missions to educate professionals, conduct research that addresses real-world issues affecting the human condition, provide excellent clinical care and practice, and serve the public with dedication to improve health, justice, and the public good. The University will become a dominant economic leader of the region through innovation, entrepreneurship, philanthropy, and interdisciplinary and interprofessional teamwork. The University will extend its reach with hallmark local and global initiatives that positively transform lives and our economy. The University will be a beacon to the world as an environment for learning and discovery that is rich in diversity and inclusion. The University's pillars of professionalism are civility, accountability, transparency, and efficiency. The University will be a vibrant community where students, faculty, staff, visitors, and neighbors are engaged intellectually, culturally, and socially.

CORE VALUES

RESPECT *and* INTEGRITY

We value each other and hold ourselves accountable for acting ethically and transparently using compassion and empathy.

WELL-BEING *and* SUSTAINABILITY

We care about the welfare of our people, planet, communities, and University.

EQUITY *and* JUSTICE

We embrace and are committed to diversity, and we value inclusive and just communities. We oppose racism and oppression in all their forms.

INNOVATION *and* DISCOVERY

We imagine and explore new and improved ways to accomplish our mission through education, research, clinical care, and service.

HISTORY

1807 The Maryland General Assembly chartered the **College of Medicine**; it is now the nation's oldest public medical school.

1812 The Maryland General Assembly rechartered the College of Medicine as the **University of Maryland** and expanded its mission.

1824 The forerunner of **Maryland Carey Law**, the Maryland Law Institute, was opened.

1840 The world's first dental college, the **Baltimore College of Dental Surgery**, was chartered.

1841 The Maryland General Assembly chartered the **College of Pharmacy**, making it the fourth-oldest pharmacy school in the nation.

1889 Louisa Parsons, a colleague of Florence Nightingale, established the **School of Nursing**, one of the nation's oldest formal nursing training programs, at the University of Maryland.

1918 To promote and enhance research, scholarship, and advanced study, the **School of Graduate Studies** opened.

1961 In response to growing social and cultural needs, the **School of Social Work** opened.

UM VENTURES, BALTIMORE

In Fiscal Year 2024, UM Ventures, Baltimore — the joint technology transfer enterprise of UMB and the University of Maryland, College Park — accelerated the translation of research into market-ready technologies and therapies that improve health, wellness, safety, and productivity. Commercialization of technology at UMB alone was substantial:

31 New U.S. patents
awarded

7 New startup
companies

30 New license
agreements

2 New products based
on UMB technologies

HEALTH CARE/LEGAL AND SOCIAL JUSTICE SERVICES

School of Dentistry

The state's only dental school is the largest Maryland provider of oral health services to Medicaid children and the largest provider of oral health care to people living with HIV disease who are uninsured or underinsured.

77,000-plus

Patient visits recorded each year, with more than 20,000 patients treated

Francis King Carey School of Law

The Center for Dispute Resolution, Cannabis Legal Resource Center, Chacón Center for Immigrant Justice, Gibson-Banks Center for Race and the Law, and Legal Resource Center for Public Health Law Policy provide services and advocacy to improve laws and lives in Maryland and beyond.

75,000

Hours of free legal services provided by students annually through 18 legal clinics

School of Medicine

Faculty, staff, and students annually contribute hundreds of hours of community outreach in hospitals, clinics, homeless shelters, and schools, while programs such as Mini-Med School, Mini-Med School for Kids, and the Seniors Medical Institute provide free faculty-led classes designed to improve health and well-being.

1.6 million

In-patient and outpatient visits at the University of Maryland Medical Center and clinical practice locations throughout Maryland

School of Nursing

The West Baltimore Reducing Inequities in Cardiovascular and Mental Health Collaborative — Stronger Together (RICH 2.0), a UMSON-led partnership of 17 community- and faith-based academic and health organizations, aims to reduce cardiovascular health disparities; improve health outcome and access to primary care; and reduce health care costs in seven West Baltimore ZIP codes.

2,000-plus

Community members enrolled in West Baltimore RICH 2.0

School of Pharmacy

UMSOP provides clinical service to about 32,000 patients each year at over 35 practice settings in specialties such as community pharmacy, oncology, pediatrics, HIV/AIDS, mental health, geriatrics, and palliative care. Students provide 190,300 hours of pharmacy services each year.

2.6 million

Marylanders helped since 1972 by the Maryland Poison Center, a free 24/7 phone service staffed by pharmacists and nurses certified as specialists in poison information.

School of Social Work

The Center for Restorative Change brings together the resources of two community outreach initiatives, Promise Heights and the Social Work Community Outreach Service, to promote social justice and the well-being of individuals and communities.

500,000

Hours of care provided to Maryland citizens annually by UMSSW students

COMMUNITY AND CIVIC ENGAGEMENT

The **Office of Community and Civic Engagement** partners with community-based, local, state, and national organizations to improve health, education, economic, and social conditions in West Baltimore, with much of the support provided in direct services at the Community Engagement Center.

UMB contributes to community revitalization and stabilization through its **Live Near Your Work Program**, which helps students and employees buy homes in select Baltimore neighborhoods by providing money for the down payment and closing costs.

The **CURE Scholars Program** is a long-term mentoring initiative that is designed to excite West Baltimore middle and high school students about STEM (science, technology, engineering, and math) subjects and begin preparing them for potential careers in research and health care.

The **Center for Violence Prevention** works to conduct community-based participatory research, provide creative and impactful education, and inform and advocate for impactful policies that will reduce violence and trauma in Baltimore.
